International Research Conference
Developing Educators For Leadership in the Schools, sponsored by Kappa Delta Pi, WorldFATE, and Mount Royal University, focused on leadership for professional growth and educational innovation.

This international conference brought together educational researchers, education experts, teachers, educational administrators, undergraduate students, and graduate students who have theoretical and practical knowledge of the education of children and adults.

Sixth Biennial Conference
The 6th Biennial WFATE Conference will be held in Houston, Texas, USA. The theme of the conference: "Social Justice in Education, Celebrating Diversity, Inclusion and Interculturalism in Our Global Society". The conference will be held in early November 2020. Houston is the 4th largest city in the USA with a metro area population of almost 7 million people. Over 145 languages are spoken in Houston and social justice is a major theme not only within the city, but also within one of the largest school districts in the USA. More information will be forthcoming as to the call for proposals and other important information early 2019.

Our Products and Services
WFATE provides an occasional newsletter which highlights member activities, international conferences, our own biennial conferences, and general information related to our mission.

WFATE publishes the Journal of the World Federation of Associations for Teacher Education (ISSN 2520-6), an online, peer reviewed journal.

WFATE also sponsors Research Development Groups that allow individuals to network with others who share interests and research foci.
